

Dive into your dreams  
Dive into your dreams  
Dive into your dreams  
and they can come true.

The sands of time are flowing faster and faster  
and I see the signs leading the way to you  
please be kind cause im hoping to avoid a disaster  
with you on my mind well you know there's nothing I wont do

when we  
Dive into Our dreams  
Dive into our dreams  
Dive into our dreams  
and they can come true

The winds of change keep blowing harder and harder  
and it'll be the same no matter what I do  
If you know the way its easy to get started  
just spread your wings and forget you never flew

and  
Dive into your dreams  
Dive into your dreams  
Dive into your dreams  
and they can come true.

The flames of love keep licking higher and higher  
like a star they're shinning the way to you  
we can travel far when we learn to slake our desires  
with open eyes everything seems so new

when we  
Dive into Our dreams  
Dive into our dreams  
Dive into our dreams  
and they can come true

The waves of hope keep crashing harder and harder  
eroding away the pain we thought we knew  
the quench the fears that seem to keep us guarded  
with fertile hearts its the nurtured seeds that grew

so we  
Dive into Our dreams  
Dive into our dreams  
Dive into our dreams  
and they can come true

Dive into your dreams

Dive into your dreams  
Dive into your dreams  
and they can come true.
